Int. No. 207

By Council Members Arroyo and Jackson

A Local Law to amend the administrative code of the city of New York, to repeal and reenact section 17-337 relating to air quality standards for compressed air in underwater breathing tanks.

Be it enacted by the Council as follows:

Section 1. Section 17-337 of chapter 3 of title 17 of the administrative code of the city of New York, as added by local law number 14 for the year 1966 is REPEALED and REENACTED to read as follows:

§17-337 Air quality standards for compressed air in underwater breathing tanks. Compressed air to be used in tanks for underwater breathing that are offered for sale, sold, or distributed in the city of New York, shall, at a minimum, meet the air quality standards for grade e air of the compressed gas association publication “G-7.1-2004, commodity specification for air,” or a more stringent standard as may be determined by the department.

§2. This local law shall take effect ninety days after its enactment into law.
