b. The department shall maintain a system that provides [any] each interested party a notification by every means of contact made available to the department, including by e-mail, text message, [or] and postal mail, that a deed-related document or mortgage-related document affecting such party's interest in real property located in the city has been recorded against such property with the city register or the office of the Richmond county clerk, provided that the department has received notice of such recording from the office of the Richmond county clerk. Such notification shall be sent to each interested party no later than 30 days after such deed-related document or mortgage-related document affecting such interested party's interest in real property has been recorded, and shall include information on actions such interested party could take if such interested party suspects that a fraudulent document has been recorded, including but not limited to, information about whom to contact for assistance, filing a complaint or reporting an alleged criminal violation. The department shall not charge a fee for use of such notification system.

c. For all class one and class two properties within the city, as defined in subdivision 1 of section 1802
