b. Not later than February 1st of the year two thousand and twelve and on an annual basis thereafter, the chancellor of the city school district of the city of New York shall submit to the council and post on the department’s website, a report which identifies schools under the jurisdiction of such district that have been closed during the previous school year and the number of students at each such school who did not complete their respective graduation requirements prior to the closure of such school. Such report shall include, but not be limited to, the following information with respect to such students who did not complete graduation requirements in the prior school year:

1. The total number and percentage of students at each such school assigned to a different school and the school to which each such student was assigned, including, but not limited to, alternative education programs, young adult borough center programs and general education development programs.

2. The total number and percentage of students who were absent from school 0 to 20, 21-40, 41-60, 61-80, and 81-100 percent of the time in the prior school year.
