Int. No. 516

By Council Members Mendez, Eugene and Koo (by request of the Manhattan Borough President)

A Local Law to amend the administrative code of the city of New York, in relation to establishing a pilot program for issuing warning notifications for first-time offenders of certain litter laws.

Be it enacted by the Council as follows:

Section 1. Section 16-118 of the administrative code of the city of New York is amended by adding new subdivision 12 to read as follows:

12. No later than ninety days after effective date of this subdivision, the department shall implement a pilot program, for a period of six months within a community district to be selected by the department in which it shall issue warning notifications to the owner, lessee, tenant, occupant or person in charge, as required, of one - and two-family dwellings for a first violation of subdivision two of this section, as such subdivision relates to keeping of the sidewalk, flagging, curbstone and roadway areas, instead of issuing a notice of violation or summons. The department shall report to the mayor and the council, no later than nine months after the program's inception, the results of such program, and such report shall include but not be limited to, the number of warning notifications issued, the number of violations issued to a dwelling after a warning notification was issued for such dwelling, the cleanliness ratings for the community district selected for the pilot period and for the same six-month period during the previous year, loss of revenue as a result of issuing warnings rather than notices of violation or summonses, if any, and any other information the department deems appropriate to the evaluation of such pilot program.

§2. This local law shall take effect immediately upon enactment.
