A Local Law to amend the New York city charter, in relation to improving compliance with the city's pro-voter law.

Be it enacted by the Council as follows:

Section 1. Section 1057-A of chapter forty-six of the New York city charter is amended by adding a new subdivision eight to read as follows:

8. Each participating agency, other than community boards and the city clerk, shall submit semi-annual reports on their implementation of this section to the mayor's office of operations. Such reports shall include the number of registration forms distributed, the number of registration forms completed at an agency office to the extent readily ascertainable, and the number of registration forms transmitted to the board of elections. Such reports shall be submitted to the mayor's office of operations by January 15 and July 15 of each year, with the first reports due by July 15, 2015. The mayor's office of operations shall compile such reports into a single report that disaggregates such data by agency, and shall deliver such compiled report to the speaker by February 15 and August 15 of each year, with the first such report due by August 15, 2015.
