Not later than [the first day of July, nineteen hundred ninety] March 1, 2018, the mayor, after consulting with each of the borough presidents, shall file with the city planning commission proposed rules establishing criteria for [(1)] (i) the location of new city facilities and [(2)] (ii) the significant expansion, closing or significant reduction in size or capacity for service delivery of existing facilities. The city planning commission shall review and may modify the rules proposed by the mayor. Not more than 30 days after the mayor's proposed rules are filed, the city planning commission shall commence rulemaking under section 1043 with regard to such rules, as initially proposed or as the commission proposes to modify them. Once adopted, the city planning commission shall file the rules with the council.

2. [Not later than thirty days after the filing of such proposed rules, the city

planning commission shall publish a notice of proposed rule making under section one thousand forty-three with regard to such rules, as proposed by the mayor or as proposed to be modified by the commission. 4. Notwithstanding the prohibition against siting or expanding a facility pursuant to paragraph 3 of this subdivision, the commission may proceed with an otherwise prohibited siting or expansion based upon a demonstration that the facility in question serves a particular need of the community in such district, extending no further than the district or area in which the majority of persons served by the facility live or work, provided, however, that in assessing such particular need the commission shall not take into account need caused by the presence of similar existing facilities within such district.

5. For any otherwise prohibited facility siting or expansion that proceeds pursuant to paragraph 4 of this subdivision, the commission shall issue and file with the council and the affected borough president a written statement indicating:

- (a) The vote of each member of the commission, or if absent or failing to vote, indicating such fact; and
- (b) How the proposed siting meets the requirements of paragraph 4 of this subdivision.

6. Actions taken by the commission pursuant to paragraph 4 of this subdivision are subject to council review pursuant to section 197-d.

7. The commission shall establish and maintain a publicly accessible online database to track the status of any facility siting made pursuant to paragraph 4 of this subdivision.

- (a) The commission shall record such sitings in the database within 30 days of final approval of a siting

proposal and shall update the progress towards the opening of such facility if new, or the expansion of such facility if an existing facility, not less than annually thereafter. The record of each siting in such database shall include the application number of the related city-sponsored facility proposal and the date such proposal was finally approved.

(b) Beginning June 30, 2018, and annually thereafter, the commission shall report to the mayor, the council, the borough presidents and the community boards a listing of any prohibited facility siting that does not progress or that is sited in an alternative location based upon a demonstration made pursuant to paragraph 4 of this subdivision.

2. In the case of procuring or significantly expanding the use of any facility subject to the criteria established pursuant to section 203, such procurement or significant expansion shall be made consistent with any prohibition against locating or expanding that facility in any of the top 10 percent of community districts that have the highest ratios of facility capacity to district resident population as prescribed by the process set forth in section 203.

b. A written determination of the basis for the emergency and the selection of the contractor shall be placed in the agency contract file, and shall further be submitted to the council no later than [fifteen] 15 days following contract award, and the determination or summary of such determination shall be included in the

notice of the award of contract published pursuant to section [three hundred twenty-five] 325 of this chapter.
