Int. No. 1547-A

By Council Members Lander, Johnson, Levine, Richards, Rosenthal, Cohen, Kallos, Barron and Maisel

A Local Law to amend the administrative code of the city of New York, in relation to expanding the retail dealer license to include retailers of tobacco products and setting caps on retail dealer licenses, and to repeal subdivision c of section 17-702, relating to the definition of cigarette license

Be it enacted by the Council as follows:

Section 1. Declaration of legislative findings and intent. The Council finds that tobacco use is a leading risk factor for preventable premature death in the United States and the City of New York, and that the City has a compelling interest in continuing its efforts to reduce tobacco use among adults and to prevent youth from starting to use tobacco products

Overall, the City has a high level of tobacco retail density with approximately 8,200 licensed cigarette retailers within approximately 300 square miles. The Council further finds, based on a number of studies, that easy access to tobacco retailers makes it harder for smokers to quit. In addition, weekly youth exposure to tobacco retail settings doubles the odds of youth smoking. Therefore, reducing the number of tobacco retailers over time is likely to reduce tobacco use and, in turn, morbidity.

The Council hereby declares that the enactment of this law is necessary to reduce the number of retailers selling tobacco products in New York City. This law will expand the scope of the existing retail dealer license for cigarettes to cover all tobacco products and restrict the availability of new retail dealer licenses, decreasing their numbers over time through attrition.

§ 2. Paragraph 4 of subdivision a of section 17-177 of the administrative code of the city of New York, as added by local law number 67 for the year 1990, is amended to read as follows:

(4) “Retail dealer” means “retail dealer” as defined in section [11-1301 of the administrative code] 20-201.

§ 3. Subdivision d of section 17-177 of the administrative code, as added by local law number 67 for the year 1990, is amended to read as follows:

d. Identification of vending machines. A wholesale dealer or retail dealer shall post a durable sign on any vending machine which such dealer is licensed to own, operate or maintain. Such sign shall be visible to the general public and provide the applicable [cigarette] license number and expiration date and the license holder's name, place of business and phone number.

§ 4. Paragraph 1 of subdivision f of section 17-177 of the administrative code, as added by local law number 67 for the year 1990, is amended to read as follows:

(1) Any person found to be in violation of this section shall be liable for a civil penalty of not more than three hundred dollars for the first violation; not more than five hundred dollars for the second violation; and not more than one thousand dollars for the third and all subsequent violations. In addition, for a third and subsequent violations, any person who engages in business as a wholesale dealer or retail dealer shall be subject to the suspension of his or her [cigarette] license, for a period not to exceed one year, after notice and the opportunity for a hearing before the commissioner of finance or his or her designee. A wholesale dealer who owns, operates or maintains a vending machine placed in violation of subdivision b or paragraph (1) of subdivision c of this section shall be liable only if he or she has knowledge of the violation. The department shall promptly give written notice to the wholesale dealer identified on the sign required by subdivision d of this section of any such violation by an owner of the premises, or his or her employee or agent. For purposes of this section, such notice shall be prima facie evidence that the wholesale dealer has knowledge of future violations of subdivision b or paragraph (1) of subdivision c of this section.

§ 5. Subdivision c of section 17-702 of the administrative code of the city of New York is REPEALED.

§ 6. Subdivision b of section 17-716 of the administrative code of the city of New York, as amended by

local law number 97 for the year 2013, is amended to read as follows:

b. Any person who violates section 17-715 of this subchapter shall be liable for a civil penalty of not more than one thousand dollars for the first violation, and not more than one thousand dollars for each additional violation found on that day; and not more than two thousand dollars for the second violation at the same place of business within a three-year period, and not more than two thousand dollars for each additional violation found on that day; and not more than five thousand dollars for the third and all subsequent violations at the same place of business within a three-year period. In addition, for a third violation occurring on a different day and all subsequent violations occurring on different days at the same place of business within a three-year period, any person who engages in business as a retail dealer, as such term is defined in section 20-201 [of the code], shall be subject to the mandatory suspension of his or her [cigarette] license, issued pursuant to section 20-202 [of the code], for such place of business, for a period not to exceed one year. [A cigarette] Such license shall be suspended at the same hearing at which a retail dealer is found liable for a third violation or subsequent violations at the same place of business within a three-year period.

§ 7. Section 17-717 of the administrative code of the city of New York, as amended by local law number 97 for the year 2013, is amended to read as follows:

§ 17-717 Enforcement. The department, the department of consumer affairs and the department of finance shall enforce the provisions of this subchapter. A proceeding to recover any civil penalty authorized pursuant to section 17-716 [of this subchapter] shall be commenced by the service of a notice of violation returnable to the [health tribunal at the] office of administrative trials and hearings acting pursuant to section 558 and subdivision 2 of section 1048 of the charter where the department issues such a notice or to the [adjudication division of the department of consumer affairs] office of administrative trials and hearings acting pursuant to section 2203 and subdivision 2 of section 1048 of the charter where [such] the department of consumer affairs issues such a notice or to an adjudication division of the department of finance or the administrative tribunal selected by the commissioner of finance where the department of finance issues such

notice. The notice of violation or copy thereof when filled in and served shall constitute notice of the violation charged. Such notice shall contain a statement that any hearing for a third violation or subsequent violation of section 17-715 [of this subchapter] at the same place of business within a three-year period shall also constitute a hearing for the suspension of a retail dealer's [cigarette] license where the retail dealer is found to be in violation of such section. The [health tribunal at the] office of administrative trials and hearings acting pursuant to section 558 and subdivision 2 of section 1048 of the charter, the [adjudication division of the department of consumer affairs] office of administrative trials and hearings acting pursuant to section 2203 and subdivision 2 of section 1048 of the charter and an adjudication division of the department of finance or the administrative tribunal selected by the commissioner of finance shall have the power to render decisions and to impose the remedies and penalties provided for in section 17-716 [of this subchapter], in addition to any other remedies or penalties provided for the enforcement of such provisions under any other law including, but not limited to, civil or criminal actions or proceedings. The department, the department of consumer affairs and the department of finance shall notify each other within [thirty] 30 days of finding that a retail dealer has been found liable for any section of this subchapter.

d. Issuance of license.

1. A license shall be issued to a person to conduct the business of a retail dealer for each place of business where such person engages in selling cigarettes or tobacco products in the city only where:

(A) an applicant for a license or renewal thereof meets all the requirements prescribed herein and any criteria in addition thereto established by the commissioner by rule as he or she deems necessary to effectuate the purposes of this subchapter;

3. Where a license for any place of business licensed pursuant to this subchapter has been revoked, the commissioner shall refuse to issue a license required under this subchapter[, for a period of two years after such revocation,] for such place of business [or for any part of the building that had contained such place of business and was connected therewith], unless the applicant for such license demonstrates with documentary proof, to the satisfaction of the commissioner, that the applicant acquired the premises or business through an arm's length transaction and that the applicant neither:

(B) employs any person who shared in the ownership, or otherwise exercised control over the management, of the original licensee.

4. (A) shared in the ownership, or otherwise exercised control over the management, of the original

licensee; nor

(B) employs any person who shared in the ownership, or otherwise exercised control over the management, of the original licensee.

5. For purposes of paragraphs 3 and 4 of [section 20-202] this subdivision, "arm's length transaction" means a sale of a fee or all undivided interests in real property, or lease of any part thereof, or a sale of a business, in good faith and for valuable consideration, that reflects the fair market value of such real property or lease, or business, in the open market, between two informed and willing parties, where neither is under any compulsion to participate in the transaction, unaffected by any unusual conditions indicating a reasonable possibility that the sale or lease was made for the purpose of permitting the original licensee to avoid the effect of violations on the premises. The following sales or leases shall be presumed not to be arm's length transactions unless adequate documentation is provided demonstrating that the sale or lease was not conducted, in whole or in part, for the purpose of permitting the original licensee to avoid the effect of violations on the premises:

(1) a sale between relatives; or

(2) a sale between related companies or partners in a business; or

(3) a sale or lease affected by other facts or circumstances that would indicate that the sale or lease is entered into for the primary purpose of permitting the original licensee to avoid the effect of violations on the premises, or revocation of a license, such as a sale or lease entered into while there are violations pending against the original licensee that could result in revocation or suspension of the license.

e. Community district retail dealer cap.

1. The commissioner shall establish a community district retail dealer cap for each community district in the city. The initial community district retail dealer cap shall be 50 percent of the total number of licenses issued to retail dealers in the community district, exclusive of the number of licenses issued to retail dealers that are pharmacies, on the effective date of the local law that added this subdivision, as determined by the

department.

2. The department, in conjunction with the department of health and mental hygiene, shall evaluate community district retail dealer caps every two years and any time community district boundaries change. Such evaluation shall include consideration of the number of retail dealers and the prevalence of cigarette smoking and use of other tobacco products. If, based on the evaluation, the department of health and mental hygiene recommends further reductions to the community district retail dealer cap, the department of health and mental hygiene shall advise the speaker of the city council of such recommendations.

3. The commissioner may promulgate rules governing the application process related to the issuance of new licenses after the establishment of a community district retail dealer cap.

4. Exceptions for certain licenses. Notwithstanding subparagraph (D) of paragraph 1 of subdivision d, if:

(A) a license of a retail dealer expires at the end of the license term, such retail dealer may apply for renewal of such license;

(B) a business whose owner has been issued a retail dealer license is sold, the succeeding owner may apply for a license for use at the same location, provided that the retail dealer selling such business was in good standing at the time of such sale, and the application is received within thirty days of the applicable change of ownership;

(C) a retail dealer license becomes void pursuant to section 20-110, the succeeding beneficial owners of 10 percent or more of the stock of the organization to which a license had been granted may apply for a license, provided that such retail dealer was in good standing at the time the license became void, and the application is received within thirty days of the change of ownership; and

(D) a retail dealer license becomes void pursuant to section 20-111, the succeeding partnership may apply for a license, provided that such retail dealer was in good standing at the time the license became void and the application is received within thirty days of the change of ownership.

§ 11. Subdivision c of section 20-207 of the administrative code of the city of New York, as added by local law number 97 for the year 2013, is amended to read as follows:

c. The commissioner, after providing notice and [hearing] an opportunity to be heard, shall be authorized to order the sealing of any premises where any person has been found:

2. to have violated any of [sections] subdivision a of section 17-704, section 17-705, subdivision a or b of section 17-706 or section 17-715 on at least three occasions within a three-year period.

§ 12. This local law takes effect 180 days after it becomes law, except that subparagraph D of paragraph 1 of subdivision d of section 20-202 of the administrative code of the city of New York, as added by section ten of this local law, shall not apply to a pharmacy seeking a renewal of its license to engage in business as a retail dealer until December 31, 2018.
