Proposed Int. No. 353-A

By Council Members Rosenthal, Brannan, Salamanca and Yeger

A Local Law to amend the administrative code of the city of New York, in relation to the provision of e-mail notifications for construction project status updates

Be it enacted by the Council as follows:

Section 1. Article 103 of title 28 of the administrative code of the city of New York is amended by adding a new section 28-103.32 to read as follows:

**§ 28-103.32 E-mail notice of construction project updates.** In conjunction with any service offered through any department website that provides regularly updated information regarding the status of individual construction projects filed with the department, the department shall provide, free of charge, a service allowing users of such website to register to receive an automated e-mail notification each time a change in status is recorded with respect to one or more construction projects, selected by such a user, where such change in status relates to boiler work, demolition, elevator work, fire escapes, plumbing work or construction projects that involve the use of a crane. Such email notifications shall also include all work permits submitted to the department for each such selected construction projects

§ 2. This local law takes effect 90 days after it becomes law.
