Be it enacted by the Council as follows:

Such report shall include (i) the address of each registered property owned by such registered owner; (ii) the current number of outstanding violations issued by the department, disaggregated by class, for each property; (iii) the number of findings of harassment currently on record with the department; [and] (iv) the number and types of departmental orders pending on each property; (v) the number of violations issued by the department of buildings pursuant to sections 28-207.2.6 or 28-213.1.2 for each property, including the status of each violation and the date each violation was issued; (vi) findings from the appropriate state agency of rent overcharges against a property, including the reasons provided by the owner for such overcharge, if available, or why such findings could not be included; and (vii) findings from the appropriate state agency indicating illegal removal from rent-regulation, if available, or why such findings could not be included. The department may provide the aggregate data used to create such website to the public advocate upon request in a form that permits automated processing and downloading.
