Int. No. 927-A

By The Speaker (Council Member Johnson) and Council Members Lander, Powers, Chin, Kallos, Cohen, Constantinides, Ayala, Rivera and Deutsch

A Local Law to amend the administrative code of the city of New York, in relation to creating an electronic tracking system for city-issued parking permits

Be it enacted by the Council as follows:

Section 1. Chapter 1 of title 14 of the administrative code of the city of New York is amended by adding a new section 14-183.1 to read as follows:

§ 14-183.1 Electronic tracking system for city-issued parking permits. a. For the purposes of this section, the term "city-issued parking permit" means a permit issued by a city agency that indicates permission to park in certain areas during certain times has been granted.

b. The department shall create a centralized electronic system to track all city-issued parking permits and to record all summonses issued by the department in connection with the improper use of city-issued parking permits. Such system shall allow the department to verify in real time the validity of city-issued parking permits.

c. The department of transportation and the department of education, if authority to issue city-issued parking permits is delegated pursuant to section 19-162.3, shall provide the department with information about city-issued parking permits to be included in the electronic system, including but not limited to the vehicle or vehicles and the permissible and non-permissible locations and uses associated with such permit.

d. The department shall report each month on summonses issued for misuse of a city-issued parking permit to the city agency whose employee was issued the permit for which the summons was issued. Such city
