Int. No. 2179

By Council Members Louis, Cabrera, Rosenthal, Kallos, Yeger and Adams

A Local Law to amend the administrative code of the city of New York, in relation to increasing access to data and maternal mortality and morbidity

Be it enacted by the Council as follows:

Section 1. Subdivision b of section 17-199.3 of the administrative code of the city of New York, as amended by local law 188 of the year 2018, is amended to read as follows:

b. No later than September 30, 2019, and no later than September 30 annually thereafter, the department shall post on its website, submit to the speaker and publish in a machine-readable format in the annual summary of vital statistics the most recent calendar year data available regarding maternal mortality in New York City, to the extent such data is made available to the department, on an individual-person level, anonymized to comply with privacy considerations, including but not limited to the health insurance portability and accountability act (HIPAA), including, but not be limited to:

§ 2. This local law takes effect immediately.
