RESOLVED:

Having considered the FEIS with respect to the Decision and Application, the Council finds that:

- (1) The FEIS meets the requirements of 6 N.Y.C.R.R. Part 617;
- (2) The environmental impacts disclosed in the FEIS were evaluated in relation to the social, economic, and other considerations associated with the action[s] that are set forth in this report; and
- (3) Consistent with social, economic and other essential considerations from among the reasonable alternatives available, the action is one which avoids or minimizes adverse environmental impacts to the maximum extent practicable; and
- (4) The adverse environmental impacts identified in the FEIS will be minimized or avoided to the maximum extent practicable by incorporating as conditions to the approval, pursuant to the restrictive declaration dated November 15, 2021, those project components related to the environment and mitigation measures that were identified as practicable.

The Decision, together with the FEIS constitute the written statement of facts, and of social, economic and other factors and standards that form the basis of this determination, pursuant to 6 N.Y.C.R.R. §617.11(d).

Pursuant to Sections 197-d and 200 of the City Charter and on the basis of the Decision and Application, and based on the environmental determination and consideration described in the report, C 220061 MLK, incorporated by reference herein, and the record before the Council, the Council approves the Decision of the City Planning Commission for a landfill of approximately 6,320 square feet located in the East River, in connection with a proposed mixed-use development, within a large-scale general development, on property generally bounded by North 3rd Street, River Street, North 1st Street, a line 200 feet northwesterly of River Street, Grand Ferry Park, and the U.S. Pierhead Line (Block 2355, Lots 1 and 20; Block 2361, Lots 1, 20 and 21; and Block 2376, Lot 50; and the demapped portions of Metropolitan Avenue and North 1st Street), in C6-2 District, Community District 1, Borough of Brooklyn.
