§ 19-160.1 Review and approval of petitions for revocable consents to establish and operate roadway cafes.

a. It shall be unlawful for any person to establish or operate a roadway cafe without a revocable consent granted pursuant to chapter 14 of the charter, this section and any rules adopted by the commissioner pursuant thereto.

b. The petition shall be in such form as prescribed by the department and established by rule and shall be reviewed by the department and other relevant agencies as determined by the department.

c. Revocable consents for roadway cafes shall provide for fees to be paid annually to the city during the continuance of the consent. Such fees shall be calculated pursuant to a formula established by rule, which shall apply uniformly to all revocable consents for roadway cafes.

d. A roadway cafe may not be opened or operated prior to the approval of a petition for a consent therefor by the department pursuant to this section and any rules promulgated by the department.

e. The department shall provide notice of a petition for a revocable consent for a roadway cafe to the affected community board, in a manner prescribed in the department's rules.

f. A revocable consent granted pursuant to this section may be renewed pursuant to rules of the department.

§ 19-160.2 Review and approval of petitions for revocable consents to establish and operate sidewalk cafes. A petition for a revocable consent to establish and operate a sidewalk cafe shall be reviewed and approved in the following manner:

a. The petition shall be in such form as prescribed by the department. The department shall forward copies of the petition, within five days of the filing of such petition, to the president of the borough in which the cafe is proposed to be located, the speaker of the council and the council member in whose district the cafe is proposed to be located, for information purposes, and to the community board for the community

district in which the cafe is proposed to be located, for review pursuant to subdivision b of this section.

b. The community board shall, not later than 30 days after receipt of such petition, either (i) notify the public of the petition, conduct a public hearing thereon and submit a written recommendation to the department and to the council or (ii) waive by a written statement its public hearing and recommendation on such petition and submit such statement to the department and to the council. The petitioner shall amend the petition if both the community board and the petitioner agree to modifications in writing. Such modifications shall be reflected in the written recommendations of the community board to the department and the council. If the community board submits a recommendation on a petition after the 30-day time period has expired, such recommendation may be accepted by the department at the sole discretion of the department.

c. Within 30 days after the expiration of the period allowed for the filing of a recommendation or waiver by the community board pursuant to subdivision b of this section, the department shall (i) hold a public hearing on the petition, provided that such hearing is required pursuant to subdivision d of this section, (ii) approve the petition, disapprove it or approve it with modifications, and (iii) file with the council any such decision to approve or approve with modifications, together with the petition.

d. The public hearing described by subdivision c of this section shall be held when (i) the community board has submitted a recommendation to deny such petition or (ii) the community board has submitted a recommendation to approve such petition with modifications or conditions. Such hearing may also be held when the department determines that such hearing would be beneficial to address a concern with the effect of the proposed sidewalk cafe at the proposed location. One or more petitions may be heard at the same public hearing upon a determination that doing so is in the public interest. For a period of not less than 15 calendar days prior to the date of such public hearing, the petitioner shall post notice of the public hearing in a place conspicuous to public view at the location of the proposed sidewalk cafe. At least 15 days prior to the date of the hearing, the department will give notice to the community board for the district in which the cafe is proposed to be located, to the president of the borough in which the cafe is proposed to be located and to the

council member in whose district the cafe is proposed to be located. Not less than five calendar days prior to the date of any such hearing, notice of the hearing shall be published in the City Record and in the print or online edition of one newspaper of local circulation in the community where the cafe is proposed to be located.

e. Within 20 days of the date the petition is received by the council pursuant to subdivision c of this section, the council may resolve by majority vote of all the council members to review the petition. If the council does not so resolve, the approval of the petition by the department shall be forwarded to the mayor for approval pursuant to subdivision g of this section, unless, in accordance with such subdivision, the petition is one for which the mayor has determined that separate and additional mayoral approval is not required.

f. If the council resolves to review a petition pursuant to subdivision e of this section, the council shall hold a public hearing, after giving public notice not less than five days in advance of such hearing. The council shall take final action on the petition and shall file with the mayor its resolution, if any, with respect to the petition, except that if, in accordance with subdivision g of this section, the petition is one for which the mayor has determined that separate and additional mayoral approval is not required, the council shall file its resolution with the department. Such filing of the resolution shall take place within 35 days of the filing of the petition with the council pursuant to subdivision c of this section. The affirmative vote of a majority of all the council members shall be required to approve, approve with modifications or disapprove the petition. Any modification by the council shall not affect the terms of any proposed revocable consent agreement which relate to term, compensation, revocability, exclusivity, security, insurance, indemnification, erection, operation, maintenance or removal of any structure, right of access by the city and rights of abutting property owners. If within the time period provided for in this subdivision, the council fails to act or fails to act by the required vote on a petition, the council shall be deemed to have approved the petition. If within the time period provided for in this subdivision, the council approves the petition with modifications, the petitioner shall accept such modifications within 15 days of such approval, or the council shall be deemed to have denied the petition.

g. (1) The term of the revocable consent shall be one license period and shall be concurrent with

such license period. The term of the renewal of such revocable consent shall be two consecutive license periods and shall be concurrent with such license periods.

(2) The consent shall be upon such conditions as may be provided in the approval of the petition by the department, as such approval may be modified by action of the council pursuant to subdivision f of this section, but shall be revocable at any time by the department. The separate and additional approval of the mayor shall be necessary to its validity, unless the mayor has determined that separate and additional mayoral approval is not required for such petition or any category of such petitions.

h. Consents for sidewalk cafes shall provide for fees to be paid annually to the city during the continuance of the consent. Such fees shall be calculated pursuant to a formula established by rule, which shall apply uniformly to all consents for sidewalk cafes.

i. A sidewalk cafe may not be opened or operated prior to the approval of the consent therefor by the department pursuant to this section.

j. A revocable consent granted pursuant to this section may be renewed pursuant to rules promulgated by the department.

§ 19-160.3 Alcohol consumption in a sidewalk or roadway cafe. Notwithstanding any other provision of this code, beer and alcoholic beverages may be served in a sidewalk cafe or roadway cafe to the extent permitted by state law.

§ 19-160.4 No advertising in a sidewalk or roadway cafe. No advertising sign, picture, flag, banner, side curtain or other device, including an illuminated or non-illuminated sign, shall be placed or painted on or affixed to any awning, screen or other appurtenance used in connection with a sidewalk cafe or roadway cafe, except that the name of the establishment may be painted, imprinted or otherwise displayed in a manner prescribed by rules promulgated by the department.

§ 19-160.5 Violations; penalties for a sidewalk or roadway cafe. a. Any person who violates the provisions of section 19-160, 19-160.1, 19-160.2, 19-160.3 or 19-160.4 or any rule of the department adopted

pursuant to such section shall be subject to penalties and enforcement pursuant to sections 19-150 and 19-151.

b. In addition to any other enforcement procedures authorized by this subchapter, the department may, after providing notice and an opportunity to be heard, suspend or revoke a license to operate a sidewalk or roadway cafe and order the removal or sealing of such sidewalk or roadway cafe for three or more violations of this subchapter or rules of the department within a two year period

c. For purposes of this subdivision, a subsequent license holder shall be liable for violations by a prior license holder unless the subsequent license holder provides the department with adequate documentation demonstrating that the subsequent license holder acquired the premises or business through an arm's length transaction and that the sale or lease was not conducted, in whole or in part, for the purpose of permitting the original license holder to avoid the effect of violations on the premises. For purposes of this subdivision, the term "arm's length transaction" means a sale of a fee or all undivided interests in real property, or lease of any part thereof, or a sale of a business, in good faith and for valuable consideration, that reflects the fair market value of such real property, lease or business in the open market between two informed and willing parties, where neither party is under any compulsion to participate in the transaction, unaffected by any unusual conditions indicating a reasonable possibility that the sale or lease was made for the purpose of permitting the original licensee to avoid the effect of violations on the premises. The following sales or leases shall be presumed not to be arm's length transactions unless adequate documentation is provided demonstrating that the sale or lease was not conducted, in whole or in part, for the purpose of permitting the original licensee to avoid the effect of violations on the premises:

(1) a sale between relatives;

(2) a sale between related companies or partners in a business; or

(3) a sale or lease affected by other facts or circumstances that would indicate that the sale or lease is entered into for the primary purpose of permitting the original licensee to avoid the effect of violations on the premises.

d. Notwithstanding the provisions of subdivision a or b of this section, the decision to suspend or revoke a license shall be waived if, upon the submission of satisfactory proof, the department determines that the person or persons who committed the violations which are the basis for the suspension or revocation acted against the licensee's instructions in committing such violations.

e. The commissioner may order the removal of any furniture, equipment, structure or other obstruction used in connection with the operation of an outdoor dining area on the sidewalk or in the roadway by a person that is not licensed to operate a sidewalk cafe or roadway cafe pursuant to this subchapter and has no other lawful right to operate an outdoor dining area on such sidewalk or in such roadway or where any furniture, equipment, structure or other obstruction placed on the sidewalk or roadway by a licensee is inconsistent with criteria or design for such area as set forth in the rules of the department. Such order shall be served in the manner provided by the rules of the department and shall afford the person to whom such order is directed an opportunity to be heard in accordance with such rules. Where such order has not been complied with within a reasonable period of time as set forth in such order, officers or employees of the department or the police department may remove such furniture, equipment, structure or other obstruction from the sidewalk or the roadway and convey them to a place of safety. Where the department has an address for the person to whom such order was directed, within 30 days of removal, the department shall mail to such person notice of such removal and the manner in which such furniture, equipment, structure or other obstruction may be claimed. Such furniture, equipment, structure or other obstructions shall not be released until all removal charges and storage fees have been paid or a bond or other security for such amount has been posted. Any furniture, equipment, structure or other obstructions that are not claimed shall be disposed of in accordance with applicable law and the rules of the department. Nothing in this section is intended to alter or affect the power of the commissioner to immediately remove any obstruction from the sidewalk or roadway that the commissioner determines is a danger to public safety.

§ 6. Subchapter 6 of chapter 2 of title 20 of the administrative code of the city of New York is

REPEALED.
