WHEREAS, the Council has considered the land use implications and other policy issues relating to the Decision and Application;

RESOLVED:

Having considered the FEIS, with respect to the Application, the Council finds that:

- (1) the FEIS meets the requirements of 6 N.Y.C.R.R. Part 617;
- (2) consistent with social, economic and other essential considerations, from among the reasonable alternatives, the proposed action is the one which minimizes or avoids adverse environmental effects to the maximum extent practicable, including the effects disclosed in the FEIS; and
- (3) consistent with social, economic and other essential considerations, to the maximum extent practicable, adverse environmental effects revealed in the environmental impact statement will be minimized or avoided by incorporating as conditions to the approval those mitigative measures which were identified as practicable; and

The Decision and the FEIS constitute the written statement of facts, and of social, economic and other factors and standards that form the basis of this determination, pursuant to 6 N.Y.C.R.R. ?617.9(c)(3).

The Council finds that the action described herein will have no significant effect on the environment; and

Pursuant to Sections 197-d and 200 of the New York City Charter and on the basis of the Decision and Application, the Council approves the Decision.

Adopted.
