Res. No.1634

Resolution authorizing the filing of applications for state assistance payments for projects to implement the Hudson River Estuary Action Plan within the City of New York and the signing of associated state contracts under the appropriate laws of New York State.

By Council Member Berman (by request of the Mayor)

Whereas, The State of New York provides financial assistance for projects to implement the Hudson River Estuary Action Plan; and
Whereas, Environmental Conservation Law ("ECL") Article 54 and any rules and regulations promulgated pursuant thereto require a resolution to be adopted by the governing body of a municipality to authorize applications for such state assistance payments; and
Whereas, The City of New York has examined and duly considered the applicable laws of the City and State of New York and deems it to be in the public interest to file one or more than one application for such financial assistance payments; and
Whereas, The New York City Department of Parks and Recreation has prepared applications to the New York State Department of Environmental Conservation for such projects, which are also identified in the list attached hereto as Attachment No. 1; and
Whereas, If the New York State Department of Environmental Conservation approves the applications for the Hudson River Estuary Action Plan projects, it is necessary that a contract by and between the State of New York and the City of New York be executed in connection with such state assistance payments for each approved project application; and
Whereas, The New York City Department of Parks and Recreation is the agency charged with the management and physical improvement of all designated parkland owned by the City of New York; now therefore, be it

Resolved by the Council of the City of New York that:

1. The filing of an application for such state assistance payments for each of the projects specified in Attachment No. 1 in the form required by the State of New York, in conformity with the applicable laws of the State of New York, including all understandings and assurances required by said applications, is hereby authorized;
2. Henry J. Stern, as Commissioner of the New York City Department of Parks and Recreation, or his successor(s), is hereby authorized and directed as the official representative of the City of New York to submit an application for funds to the New York State Department of Environmental Conservation in accordance with the provisions of the Environmental Protection Act (ECL Article 54) for each of the Hudson River Estuary Action Plan projects, in an amount not to exceed the amounts specified in each application; to act in connection with each such application for grants of state assistance payments, including the provision of such additional information as may be required; and upon approval of each said application by New York State for such projects, to enter into and execute a project agreement with the State for such financial assistance to the New York City Department of Parks and Recreation for each said approved application;
3. Four certified copies of this Resolution shall be prepared for forwarding to the New York State Department of Environmental Conservation.
