Int. No. 104

By Council Members Weprin, Comrie and Liu

A Local Law to amend the administrative code of the City of New York, in relation to the regulation of receptacles for removal of waste material.

Be it enacted by the Council as follows:

Section one. Subdivision c of section 18-120 of the administrative code of the city of New York is hereby amended to read as follows:

c. Incinerator, residue, ashes, refuse and liquid waste shall be stored in the building or dwelling or at the rear of the building or dwelling as may be required by the department of health or the department of housing preservation and development until time for removal and kept in tightly covered metal receptacles or containers made of other materials of a type and grade acceptable to the department, department of health, and the department of housing preservation and development. After the contents have been removed by the department or other collection agency any receptacles remaining shall [immediately] be removed from the front of the building or dwelling within ten hours. The receptacles shall at all times be kept covered or closed and kept in a manner satisfactory to the department of sanitation, the department of health, and in the case of residential premises, the department of housing preservation and development. No receptacles, refuse, incinerator residue or ashes, or liquid waste shall be kept so as to create a nuisance. Yard sweepings, hedge cuttings, grass, leaves, earth, stone or bricks shall not be mixed with household wastes.

§2. This local law shall take effect immediately.
