Proposed Res. No. 1031-A

Resolution urging the Senate to pass and the Governor to sign State Assembly Bill 8841 (A.8841), a bill that would implement certain mandates of the Help America Vote Act of 2002 and amend the election law in New York State by, among other things, establishing a uniform administrative complaint procedure for any person who believes there is a violation of Title III of the Help America Vote Act of 2002.

By Council Members Perkins, Barron, Comrie, Foster, Jackson, Liu, Quinn, Reed, Rivera, Sanders and Yassky.

Whereas, The 2000 presidential elections and the subsequent vote recount ignited scrutiny of the adequacy of voting standards throughout the nation and precipitated voluminous discussion on a wide range of topics, including voter access to polls, registration and registration roll issues, voter discrimination and lost vote rates; and

Whereas, Two of the highest lost vote rates in the nation during the 2000 elections were 4.4% in Miami-Dade County, Florida and 4.0% in Brooklyn, New York; and

Whereas, New York City is in need of electoral reform because of its troubling voting history requiring three of its five counties to be subject to preclearance under the Voting Rights Act due to historical discrimination against black and Latino and other minority voters; and

Whereas, To respond to this antiquated, dilapidated and, within certain areas, discriminatory state of the voting process within the nation, Congress passed the Help America Vote Act of 2002, which was promoted as a bi-partisan reform package; and

Whereas, Assembly Member Michael Benjamin introduced Assembly Bill 8841 ("A.8841"), a bill that would implement certain mandates of the Help America Vote Act of 2002 and amend the election law in New York State; and

Whereas, A.8841 would, among other things, amend the current election law to require the state Board of Elections to establish a uniform, nondiscriminatory administrative complaint procedure for any person who believes there is a violation of Title III of the Help America Vote Act of 2002 and provide for independent alternative dispute resolution of any complaint not addressed by the Board of Elections within 90 days of its filing; and

Whereas, The New York State Assembly passed A.8841 on June 17, 2003, whereupon it was delivered to the Senate; now, therefore, be it

Resolved, That the Council of the City of New York urges the Senate to pass and the Governor to sign Assembly Bill 8841 (A.8841), a bill that would implement certain mandates of the Help America Vote Act of 2002 and amend the election law in New York State by, among other things, establishing a uniform administrative complaint procedure for any person who believes there is a violation of Title III of the Help America Vote Act of 2002.
