Res. No. 936

Resolution finding that the enactment of Proposed Int. No. 329-A does not have a significant adverse impact on the environment and is consistent with the state environmental quality review act.

By Council Members Gennaro and Quinn

Whereas, The enactment of Proposed Int. No 329-A is an “action” as defined in section 617.2(b) of Title 6 of the Official Compilation of the Codes, Rules, and Regulations of the State of New York; and

Whereas, The Council, as lead agency pursuant to section 5-03(d) of the Rules of Procedure for City Environmental Quality Review, has considered the relevant environmental issues attendant to such enactment; and

Whereas, After such consideration and examination of an Environmental Assessment Statement, the Council has determined that a Negative Declaration should be issued; and

Whereas, The Council has examined and considered the Negative Declaration that was prepared; now, therefore, be it

Resolved, That the Council of the City of New York, having considered the Negative Declaration, hereby finds that:

- (1) the requirements of The State Environmental Quality Review Act and Part 617 of Title 6 of the Official Compilation of the Codes, Rules and Regulations of the State of New York have been met; and
- (2) consistent with the environmental, social, economic and other essential considerations, the proposed action is one which will not result in any significant adverse environmental impacts; and
- (3) the annexed Negative Declaration constitutes the written statement of facts and conclusions, and

of environmental, social, economic and other facts and standards that form the basis of this determination.
