Int. No. 749

By Council Members Mendez, Brewer, Jackson, James, Liu, Palma, Gerson and Mark-Viverito

A Local Law to amend the administrative code of the city of New York in relation to the information required on the building information system.

Be it enacted by the Council as follows:

Section 1. Title 28 of the administrative code of the city of New York is amended by adding a new section 28-103.14.2 to read as follows:

28-103.14.2 Building information system. The commissioner shall make all department records created or submitted after July 1, 2008 available to the public for inspection over the Internet, except that the commissioner may deny access to records or portions thereof in compliance with article six of the public officers law. Such records shall include, but not be limited to, electronic copies of all applications received, construction documents, permits and certificates issued, fees collected, reports of inspections, notices and orders issued, objection sheets, reconsiderations and variances.

§ 2. This local law shall take effect on July 1, 2008, except that the department of buildings shall take such measures as are necessary to implement its provisions, including the promulgation of rules, prior to such effective date.
