A Local Law to amend the administrative code of the city of New York, in relation to education and outreach regarding solar and green roof systems

Be it enacted by the Council as follows:

Section 1. Chapter 1 of title 28 of the administrative code of the city of New York is amended by adding a new section 28-103.37 to read as follows:

§ 28-103.37 Education and outreach on solar and green roof systems. No later than January 31, 2024, and annually for five years thereafter, the department shall conduct targeted outreach to educate building owners about the benefits of installing solar and green roof systems. Educational materials distributed pursuant to this section shall be in plain language and made available in all of the designated citywide languages, as defined in section 23-1101 of this code. Such educational materials shall also be available on the department's website.

§ 2. This local law takes effect immediately.
