Int. No. 1205

By Council Members Brewer, Cabán, Hanif and Banks

A Local Law to amend the administrative code of the city of New York, in relation to requiring agencies to plan for federal government shutdowns

Be it enacted by the Council as follows:

Section 1. Chapter 1 of title 30 of the administrative code of the city of New York is amended by adding a new section 30-117 to read as follows:

§ 30-117 Federal government shutdown plan. a. On or before September 30, 2024, the commissioner in coordination with each relevant agency shall develop a plan for the purpose of preparing such agencies for a shutdown of the federal government.

b. The commissioner shall assess any plan referenced in subdivision a of this section whenever such plan is activated. Such assessment shall consider the reports and recommendations issued by any task force or commission following such activation. The commissioner shall also assess any such plan at least once every two years, whether or not such plan has been activated, and shall report to the city council any subsequent changes to such plan and provide a copy of such updated plan to the city council no later than 60 days after such assessment is completed.

c. Public accessibility. The commissioner shall make such plan and any subsequent changes to such plan, as required by subdivision b of this section, publicly available on the department's website no later than 30 days after such plan is provided to the city council.

c. Notwithstanding the provisions of this section, the commissioner shall not be required to disclose to

the council portions of plans or to report changes made to plans where disclosure of such information could compromise the safety of the public.

§ 2. This local law takes effect immediately.
