RESOLVED:

Having considered the FEIS, with respect to the Application, the Council finds that:

- (1) The FEIS meets the requirements of 6 N.Y.C.R.R. Part 617;
- (2) From among the reasonable alternatives thereto, the actions to be approved are one which minimizes or avoids adverse environmental impacts to the maximum extent practicable; and
- (3) The adverse environmental impacts disclosed in the FEIS will be minimized or avoided to the maximum extent practicable by incorporating as conditions to the approval, those mitigation measures that were identified as practicable; and
- (4) The Decision and the FEIS constitute the written statement of facts, and of social, economic and other factors and standards that form the basis of the decision, pursuant to 6 N.Y.C.R.R. §617.11 (d).

Pursuant to Section 197-d, the Council approves the decision of the City Planning Commission (C 090416 HAK).

The Council finds that the present status of the Project Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council approves the designation of the Project Area as an urban development action area pursuant to Section 693 of the General Municipal Law.

The Council approves the Project as an urban development action area project pursuant to Section 694

The Council approves the disposition of such property to a developer selected by the Department of Housing Preservation and Development with the following modification:
